Turning off the A6 Roundabout into the entrance road to the Racecourse named the “Ring Road”. Take the second turning on your left (the first turning after the roundabout is a closed emergency exit only). The turning is sign-posted Oadby Golf course and the Kube. On turning Left you will then be facing a brick wall, bear to the right and drive through the open Blue Gates.

Follow the road round to the left. Ahead of you on the right side is the brick building “The Kube”. Please park in the car park on your right before this building. Do not go into the Kube. The meeting is not held in there.

Now walk across the road, and walk through the open entrance under the triangular sign “Welcome to Leicester Racecourse”

If weather allows we will place a Life On The Level Banner here.

After walking through this entrance look ahead but slightly to the right and the building in the distance is the Premier Suite.

Main doors are here and we will have a Life On The Level Banner placed here if weather allows.

Walk through the main doors and you are in the Premier Suite meeting Room. You have found us!
